

XXIV Scientific photography contest

Sociedad Española de Cerámica y Vidrio (SECV) announces the XXIV Scientific Photography contest within the framework of the V Hispano-Luso Congress of Ceramics and Glass in Barcelona.

Who can participate?

All register person who submit a communication (either orally or poster) to the V Congreso Hispano-Luso de Cerámica y Vidrio will be able to participate.

Topic?

The topic is related to scientific, technological or artistic aspects of Ceramics and Glass

Creativity

The photographs must be original and have not been published in any scientific, technical or artistic journal.

Information to be submitted

Photographs in color or black and white will have a size of 18 x 24 centimeters, and must be fixed to a cardboard support of 21 x 29.7 centimeters. Authors must fill in an additional cardboard the title of the work and a brief description of it, with a maximum of 50 words.

Deadline

The deadline for admission of the photographs is opened from the diffusion of the rules of this XXIV Contest and closes on October 5. Participants will send the photograph with the title and brief description by email to Dr. Miquel Turón Universitat Politècnica de Catalunya (miquel.turon@upc.edu). The files format may be GIF, JPEG, PNG, TIFF or PDF. The works will be delivered to the Congress Secretariat the registration day. The photographs presented will be displayed during the days of the Congress.

Evaluation criteria

The criteria for eligibility will be based on the excellence and artistic of the research presented as well as originality. The selection will be done by a jury formed by members of the Sociedad Española de Cerámica y Vidrio and Sociedade Portuguesa de Cerâmica e Vidrio. To receive the prize is mandatory to be in the Gala Dinner Ceremony Award.

Award

The winner of the photography contest will be announced at the gala dinner and the best photography will award with a Conference-Gift and a diploma.

Politics of dissemination and participation

Sociedad Española de Cerámica y Vidrio reserves the right to publish the winning work in the boletín de la sociedad española de cerámica y vidrio, social networks or web page. The participants by virtue of participating in this Photograph Contest, accept the criteria of evaluation and the participation rules.
