

## Travel Grants for Students

The Trust of the Journal of the European Ceramic Society (JECerS) will provide travel grants to encourage student participation at the V Congreso Hispano-Luso and the Tutorial Course & Industrial Networking.

A maximum of 100€ is envisaged for 20 Spanish Students and 250€ for 20 Portuguese Students. The grants will be reimbursed to the students following real expenses. In the case that the travel expenses of Spanish Students members of the Spanish Ceramic Society exceed the maximum (100€), it will be cover by the SECV.

Students may apply for a travel grant on registering for the conference and/or tutorial course on the conference website attaching their student certificate and Photo ID\*.

- Student certificate: the admission to a Doctorate Program of a university or a certificate justifying his/her student status, signed by his/her thesis supervisor, should be attached.
- Photo ID: a copy of the National Identification Document or the Passport should be attached.

The grants are personal and will be designated by order of application, once it is confirmed that all the requirements have been met (student certificate and conference registration). The awarded students will be contacted by email.

Travel expenses will be reimbursed after the conference. The SECV will provide the students with a Travel Expenses Form that will be filled and signed, and sent by email to the SECV one before the 1st of November of 2018 ([secv@secv.es](mailto:secv@secv.es)), with the following information and documents:

- the bank account data
- the travel invoice
- the “going and return” boarding pass
